Congressional Staff Network for Economic Advancement February 21, 2019 - February 22, 2019 Memphis, TN

Question #2 Description of the Trip:

The Congressional Staff Network for Economic Advancement brings together a bicameral, bipartisan group of senior Congressional staff to focus on policy issues at the core of economic mobility: K-12 education, postsecondary education, workforce development, and poverty alleviation. The purpose of this trip is to examine high quality and innovative education and workforce training programs that focus on the economic needs of the city, its employers and its people. Staff will see innovative programs that meet the skill needs of the region's critical industries, talk with students, teachers, state and local officials and employers who are involved in the development and in carrying out these programs.

Question #5 Senate Staff:

Adzua Agyapo, Legislative Fellow, Office of Senator Bennet

Jake Baker, Professional Staff, Senate HELP Committee

Kendrick Davis, Policy Advisor, Office of Senator Harris

Sam Hattrup, Legislative Correspondent, Office of Senator Portman

Rebecca Howard, Legislative Assistant, Office of Senator Jones

Lot Kwarteng, Legislative Assistant, Office of Senator Stabenow

Lindsay Linhares, Senior Policy Advisor, Office of Senator Hyde-Smith

Ryan Martin, Senior Human Services Advisor, Senate Finance Committee

Katherine McClelland, Workforce and Education Policy Advisor, Senate HELP Committee

Karishma Merchant, Senior Education Policy Advisor, Office of Senator Tim Kaine

Marisa Morin, Policy Fellow, Office of Senator Wyden

Cortney Segmen, Legislative Correspondent, Office of Senator Kaine

Brittany Weaver, Legislative Assistant, Office of Senator Hassan

Question #12 Role of Sponsor:

Jobs for the Future (JFF), Lumina Foundation and The Joyce Foundation work together to select sites and topics of interest around which to base site visits and forums, considering congressional staff interest, the quality of programming, and whether or not these

programs have a relationship to workforce development, education policy and poverty alleviation. The sponsors develop and execute the agenda and arrange logistics for the trip. JFF serves as the point of contact for staff.

Question #13 Mission of Sponsors:

JFF's mission is the development of education, training and supportive programs and policies that expand opportunities for low income and disconnected youth and adults to attain the education, training and credentials necessary to find good jobs and family sustaining careers. Lumina Foundation's mission is the commitment to making opportunities for learning beyond high school available to all: envisioning a system that is easy to navigate, delivers fair results, and meets the nation's need for talent through a broad range of credentials. The Joyce Foundation's mission is investing in public policies and strategies to advance racial equity and economic mobility for the next generation. All three sponsors' work is informed by research, analysis, and best practice. JFF's, Lumina Foundation's and The Joyce Foundation's missions align with the purpose of the trip, learning and highlighting programs that expand opportunities for all through education, workforce development and poverty alleviation policy.

Question #14 History of Sponsor: The Congressional Staff Network has sponsored site visits and DC based forums for over 10 years. Examples of this work include the following: site visits where senior congressional staff have examined high quality workforce programs and learned from experts and practitioners on the ground, about the impact of federal policy in their fields of responsibility: Charlotte, NC; Bridgeport, CT; Cincinnati, OH; Madison, WI; Philadelphia, PA; Detroit, MI, Wichita, KS, Nashville, TN, Seattle, WA, Eastern KY, Fredericksburg, VA; and a second visit to Detroit, MI. The purpose of these trips (and the Network) is to provide in-depth learning opportunities for staff on workforce, education, and poverty alleviation issues. Last year, Lumina Foundation and The Joyce Foundation were co-sponsors, playing a substantive role in the planning and development of the Congressional Staff Network site visit. Lumina Foundation and The Joyce Foundation co-sponsored a similar trip in August, 2018 to Detroit, MI. Prior to that visit JFF was the sole sponsor.

Question #15 Other Educational Activities of Sponsor:

JFF works with partners around the country to design and drive the adoption of education and career pathways leading to college, career readiness and career advancement for those struggling to succeed in today's economy. JFF improves pathways from high school to college to family-sustaining careers through relevant technical assistance, research, publication of reports, and hosting events (including national conferences) and engaging in policy analysis. Lumina Foundation is working with partners to bring greater transparency to all credentials and better serve underrepresented communities through: robust communication - providing daily newsletters to the public which highlight Lumina's recent publications as well as other publications that are relevant to their mission; and funding projects that research and implement (through technical assistance) best practices around education, training and overall skill development throughout the nation. Lumina Foundation's work supports smoother student transitions and creative, flexible pathways for all learners. The Joyce Foundation supports policy research, development and advocacy

- identifying innovative solutions and investing in their success. Through this work, The Joyce Foundation: funds organizations that focus on education and economic mobility, convenes coalitions focused on a specific education or workforce strategy and promotes findings through distribution of materials (i.e. policy briefs or reports).

Question #16 Good Faith Estimates for Senate Staff Travel and Meal Expenses:

Transportation: Round trip coach class commercial airfare from DCA (DC) \rightarrow MEM (Memphis) = \$350.00 per person. On the ground transportation, via chartered coach class bus service for two days in Memphis = \$75.00 per person. Total transportation expenses = \$425.00 per person.

Lodging: Lodging at the Peabody Hotel for one night = \$121.00 per person.

Meals: Meals for two days of travel = \$112.00 per person

Question #18 Reason for Selecting Location:

The sponsors selected Memphis, Tennessee for this site visit because of its efforts in developing its workforce and preparing its citizens for employment opportunities in high demand industries. Memphis is rebuilding its economy, hoping to engage more of its hardest to serve populations in the local job market. This visit will highlight Memphis' commitment to innovative K-12, post-secondary and workforce models that promote skill development and poverty alleviation. The visit will shed light on implications for K-12, higher education and workforce development policy, specifically on: career pathway approaches and strategies for supporting today's most vulnerable learners.

Good morning Jake,

We are writing to invite your participation in an upcoming site visit for Jobs for the Future's (JFF), Lumina Foundation's and the Joyce Foundation's Congressional Staff Network on Economic Advancement. This visit will take place in **Memphis**, **Tennessee** from **Thursday**, **February 21**st – **Friday**, **February 22**nd, **2019**. Participants will fly from DC to Memphis on the morning of February 21st, participate in meetings and site visits throughout the two days, and then fly back to DC in the late afternoon of February 22nd.

In Memphis, staff will learn about how the region is reinventing its workforce and postsecondary education systems to address the needs of its high demand industry sectors. We will hear about how Memphis is creating pathway opportunities, starting in high school, in these high demand fields of study. We will also learn about how the region is addressing reintegration and poverty alleviation through pathways approaches in SNAP, WIOA Youth and other programs – to ensure equal opportunities for disadvantaged populations.

Memphis provides a very interesting example for staff to see about how federal funding has been used to rethink and reform a region's education and workforce development efforts — to ensure they are responsive to the skill needs of leading employers. Staff will hear from the Greater Memphis Alliance for a Competitive Workforce (GMAC), a workforce intermediary, about its work to deepen stakeholder connections and build strong college and career pathways with help from federal TAACCCT and America Promise grants. We will hear from leading employers, in transportation/logistics, medical device manufacturing, and healthcare about how they have engaged the community to ensure that education and training efforts in the region are meeting their changing needs. We will talk with education and workforce system providers about the changes they are making to ensure the relevance of training efforts. And we will hear from state initiatives including TN Promise, Pathways Tennessee and Tennessee Reconnect to learn how they are working In Memphis and Shelby County.

In the next week, we will send more information regarding the trip, including a final agenda and the necessary Ethics documentation. We hope you can join us!

Mary Clagett, Senior Director of Workforce Policy, JFF
